

The Expo Star Case

The EXPO STAR Case is designed as the ideal exhibit protector. This case is available in several sizes. Cases are equipped with heavy-duty, recessed handles, reinforced aluminum outer angles and steel ball corners. Heavy-duty casters and/or protective skids can be included as an option. Case interior is treated with soft polyester foam, hard polyethylene foam or indoor/outdoor carpet.

The EXPO STAR Case.. A wise choice when time and drayage are your biggest enemies!
