Molded Carrying/Shipping Case from Star Case

The Star Case molded utility cases are efficient, lightweight, incredibly durable, secure and highly protective. Each case is equipped with positive closure press/pull latches, a combination pick n' pluck and/or convoluted foam fill & a rugged hinged lid design that holds lid firmly in an "open" position. Heavy-duty hinges on the cases back side. A gasket equipped valance closure as well as purge valve is provided for moisture, temperature and pressure protection.
